

## MARIJAMPOLER JEWS DECORATED FOR BRAVERY

in the XVI Lithuanian Military Brigade

... resistance of jews during the Hitler war is  
... of the history of the holocaust.

... Wolf Vilenski, a Lithuanian jew was decorated  
... the highest military honor: "HERO OF THE  
... UNION".

... Subtai Garbarowitz, a captain in the Lithuanian  
... Military Division headed the military unit that  
... Mariampole in 1944.

... the soldiers of the Lithuanian XVI Division were  
... many of them in high military ranks. Unfortunate-

ly too many of them fell in the battle fields against  
Hitler's armies.

However, their participation as Jews is often glossed over,  
especially in those accounts which accept the presump-  
tion that Jews were "led like lambs to the nazzi slaugh-  
ter"... which is a black lie, and contradicts historic facts.  
Jews resisted in many different and unusual ways, with  
in the ghettos, in the partizan groups in the forests  
and where not.
